EVALUATION:

SUBJECT: Manufacturing News from the French Zone

1. Maibach Motoren Werke and Doris-Werke are now engaged in repair work.

2. LARIONOFF could find no evidence of jet-propelled plane manufacture in the western part of the French Zone of Germany.

3. The Doris Werke at Wangen is manufacturing pre-fabricated houses for French export.

4. Many of the newest ships of both the Maibach and Doris Werke are being dismantled and taken to France. According to German workers, special French crews are being sent from France to dismantle and ship these factories. The Spinnerei at Wangen is also being dismantled.

5. Parts of the French fleet moored at Friedrichshafen are, according to reports, to be transferred to Indo-China sometimes during the month of June.

6. According to other reports, there is a Soviet Industrial Commission in Freiburg which is to take over 20 per cent of the German industry in the French Zone of Germany.
